Important Safety Notice: Keeping Your Passcodes Safe

This message is a reminder on how ☐ to keep your passcodes safe.

Passcodes includes passwords, PINs, SMS codes and authentication tokens used to gain access to your internet, phone and mobile banking or to approve a transaction.

- Do not share a passcode with anyone, including family members, friends or anyone who claims they are from the bank.
- Unless you make a reasonable attempt to disguise a passcode or prevent unauthorised access to it, do not keep a record of a passcode on a device, or on anything you carry with your device, or on anything that could be lost or stolen.
- Do not select a passcode that represents your date of birth, your contact number, or is a recognisable part of your name, or otherwise forms a pattern or can be easily guessed.
- Do not act with extreme carelessness ☐ always take extra care and caution to protect the security of your passcodes.

For further guidance on how ☐ to keep your passcodes safe, visit the Electronic Banking Terms and Conditions (available at commbank.com.au)

Remember, you may be liable for any loss that you contributed to by not keeping a passcode safe. Liability for losses is determined under the ePayments Code and not these guidelines.
